

## Vacancy

### REGIONAL DEVELOPMENT MANAGER

*(Full time position)*

Badminton Oceania Confederation is seeking applications for the full time position of Regional Development Manager for the Oceania region. The successful applicant will spend a reasonable amount of time travelling to the island nations of Oceania, particularly, Tuvalu, Fiji, Samoa, Guam, Federated States of Micronesia, New Caledonia, Tonga, Kiribati, Tahiti, Norfolk Island, and maybe some other potential member islands. They would also oversee three development officer positions in Fiji, Tahiti and Tonga respectively.

To be effective at this role, the person will need experience with the establishment and maintenance of national development programs for both junior and senior players and have a coaching qualification preferably in badminton. The role will require initiative, enthusiasm and the ability to improvise. The person will need to demonstrate excellent oral and written communication skills. Familiarity with the laws of Badminton, would be an advantage.

The position is jointly supported by Badminton World Federation and the Oceania National Olympic Committee.

There are no relocation costs available.
