

Badminton Is Back!

Tips to keep you COVID-Safe for your return to badminton

Wash your hands before and after play. Avoid touching your face

Stick to singles where possible and limit on court time

Avoid sharing equipment with your opponents. Mark your shuttles with a colour or symbol.

Don't share! Bring your own towel and water bottle

Download the COVID-Safe app. Keep vigilant, safe and aware of any cases.

Be smart on court. Make sure you maintain a safe distance between participants

Coach only small groups. Don't do any hands on instruction

Don't gather in groups. Leave pre or post play hang outs for a little longer

If you feel unwell, stay home, even if it's just a little sniffle!
